

MISSISSIPPI ODP 2018 - 2019

The Mississippi Soccer Association's ODP is offering exciting opportunities for the 2018-2019 year. We offer eight training sessions throughout the year. We will continue to have the training sessions on Sunday afternoons (1-5pm: 1-2:30pm & 3:30-5pm). Two training dates (four sessions) on set dates will be in the Jackson area as it is a central point within the state. The head coach of each team will also schedule two training dates at a location TBD (to be determined). We will also strive to schedule training sessions at colleges and universities around the state to further showcase our athletes.

MSA will offer one ODP-only event in the Fall and one in the Spring (Midwest/South Inter-Regional event in Memphis: February 16-18, 2019). State ODP Camp, held in June, is always a very popular camp that helps prepare the teams to play in a July event (i.e. Region ODP Camp or a tournament – usually the King TUT tournament at FC Dallas).

Region ODP Camp Policy:

We will only take full teams to Region ODP Camp. If the age group team does not fill, we will not send individuals. If there are states that are looking for "guest" players to fill their age group teams, we will help and send players with that state team. Our goal is to send full teams (15-18 players per team) to represent Mississippi and get the opportunity to tryout for the Region Pool/Team. Based on that, we will only take the top 15-18 players per age group.

State Select Team Program:

The **State Select Team (SST) program** will also be available to older players (high school age 15-17). This program will offer four college showcase events or ID Camps to provide more exposure to college coaches. Events are offered throughout the year and if enough players register for an event, then we take a team to play. This is a separate program, but ODP players are eligible to participate.

2018-2019 Annual ODP Schedule

**Tentative dates*

<i>Date</i>	<i>Event</i>	<i>Location</i>	<i>Time</i>
2018
