

Kidsafe Application Privacy Policy

The online Kidsafe application is made through a direct, customized secure socket portal with backgroundchecks.com. All information is held in the databases of backgroundchecks.com and not stored at MSA.

How We Use Your Information

The information collected online from national sources is stored indefinitely at backgroundchecks.com and is used for assuring the safety of our membership as outlined in the MSA Kidsafe policy and USYS Kidsafe policies.

Local organizations members and officers do not have access to the results of any background check. The organizations' designated Kidsafe Coordinator is provided only with a password protected online list of those coaches and volunteers that have successfully completed a background check. Other than name, address and contact information, no other personal information is displayed.

Information in the Kidsafe system is not used for mailings, list rental or any other form of sale.

MSA reserves the right to disclose your personal information if required to do so by law, or in the good faith belief that such action is reasonably necessary to comply with legal process, respond to claims, or protect the rights, property or safety of our company, employees, members, or the public.

Eligibility

When adverse information is received, the coach or volunteer is contacted directly by the MSA Kidsafe coordinator in an effort to obtain information to clear the adverse information. If the information is found to be correct, the MSA Criminal Conviction Matrix is used to determine eligibility and when the coach or volunteer would become eligible. The local organization President would be advised that the coach or volunteer was ineligible to be used in MSA. The coach or volunteer may appeal the loss of eligibility in accordance with MSA Bylaws and policy

Children

We do not intend to collect personal information from anyone under the age of 18. If you are under 18, you should not enter information on this website and should ask a parent to do so for you.

Questions or Concerns

If at any time you believe that MSA has not followed the above policy, please let us know by sending an email to execdir@mississippisoccer.org. We will make reasonable efforts to identify and correct any problem.

Changes to This Online Privacy Policy

We reserve the right to change the terms of this privacy policy at any time, but will not do so without posting the revised policy on this website. We encourage you to review this privacy policy whenever you visit our website to make sure you understand how we use the information we collect.
