

MYSA Division I Disciplinary Actions

1. Cautions - A "running total" of all Cautions shall be maintained on a "per season basis". With respect to Cautions, a "season" shall be defined as a period commencing on each August 1 and terminating at the conclusion of the final match on the Sunday prior to the Snickers State Cup, if the team competes in State League Play otherwise, on the following July 31. A regularly scheduled game is defined as an MYSA State League Game or the next USYSA Sanctioned tournament game. Cautions shall result in the following actions:

| No. of Cautions | Action to be taken |
|------------------------|---|
| 1st - 4th | Report to MYSA |
| 5th | Report to MYSA and count as an Ejection; individual disqualified from participating in next regularly scheduled game, unless, when added to any other Ejections which may be outstanding, then follow disciplinary actions outlined herein below for "Ejections", including the probationary and suspension rules. |
| 6th - 9th | Report to MYSA |
| 10th | Report to MYSA and count as second Ejection; individual disqualified from participating in next 2 regularly scheduled games, unless, when added to any other Ejections which may be outstanding, then follow disciplinary actions outlined herein below for "Ejections", including the probationary and suspension rules. |
| 11th - 14th | Report to MYSA |
| 15th | Report to MYSA; individual disqualified from participating in any MYSA - Sanctioned event for the duration of the season. |

Note: Two cautions received in the same game must be reported as an ejection and not included in the accumulation of cautions.

2. If, at the conclusion of League Play, a player has accumulated the requisite number of cautions to require suspension, that suspension shall carry over into the Snickers State Cup. If, however the player does not, all disciplinary cautions shall be declared void and the players shall enter the Snickers State Cup with no disciplinary cautions on record.

3. Ejections - A "running total" of all ejections shall be maintained on a "per season" basis. With respect to Ejections, a "season" shall be defined as a period commencing on each August 1 and terminating at the conclusion of the final match on the Sunday prior to the Snickers State Cup, if the team competes in State League Play otherwise, on the following July 31. A regularly scheduled game is defined as an MYSA State League Game or the next USYSA Sanctioned tournament game. Ejections shall result in the following actions:

No. of Ejections Action to be Taken

| | |
|-----|---|
| 1st | Report to MYSA; individual disqualified from participating in next regularly scheduled game. |
| 2nd | Report to MYSA; individual disqualified from participating in next 2 regularly scheduled games. |
| 3rd | Report to MYSA; individual disqualified from participation in next three regularly scheduled games. |
| 4th | Report to MYSA; individual disqualified from participation in next four regularly scheduled games. |
| 5th | Report to MYSA; individual disqualified from participation in any MYSA Sanctioned event for the season. |

For purposes of the above actions to be taken, any ejection for striking a player, or for fighting, shall count as two ejections.

4. Clarification of penalties: Suspensions shall be served as described above regardless of the type of competition in which the misconduct was committed, with the following exceptions:

- a. Suspensions may not be served in "friendly" games.
- b. Misconduct committed in State League play resulting in a suspension must be served in the next State League game, which may include the MYSA Snickers Qualifying, State and Regional competitions.
- c. Misconduct committed in a USYSA sanctioned tournament resulting in a suspension must be served in the next regularly scheduled game.
- d. Local organizations will be responsible for disciplinary actions relating to "friendly" games.

5. If, at the conclusion of League Play, a player has accumulated the requisite number of ejections to require suspension, that suspension shall carry over into the Snickers State Cup. If, however the player does not, all disciplinary ejections shall be declared void and the players shall enter the Snickers State Cup with no disciplinary ejections on record.
