Appearance - Were the referees appropriately attired? did they look or act professional and knew the Laws of the Game?

Signals - Did the officials give appropriate signals to the players to indicate fouls, direction, throw ins, corner kicks? Note: it is not the officials job to explain calls to coaches or parents.

Courage - Did the officials call fouls appropriately, or did the official allow "too much" to go on? Did the official issue cautions or ejections to players or coaches as needed?

Fitness - did the officials move with play? Did the official anticipate play? Was the official near the action?

Control - From start to finish, was there any question as to who was in charge of the match? The ref? The Coaches? The players? Did the official call fouls where required and allow advantage when appropriate?
